— 02 / COMPANY OVERVIEW

CELL24X7 MEDIA TECHNOLOGIES, **MUMBAI.**

One of the **fastest-growing mobile marketing and customer engagement platform providers** in India and internationally.

The communication tools we have launched provide dependable support to large and medium enterprises, helping them engage with their customers across every channel that matters. From messaging and voice to AI-led automation, our platform is built for scale, reliability and measurable business outcomes.

01

Pure Business Ethics

We operate on transparent, ethical business practices at every stage of the engagement.

02

100% Data Security

Safeguarding enterprise databases with complete security is our core strength.

03

Long-Term Partnership

We believe in building relationships that last well beyond the first deployment.

— We can assure you of our best services at all times.

NDA-backed enterprise onboarding

Every business account begins only after a Non-Disclosure Agreement is approved by your corporate legal team, so your data is protected from day one.

03 / CHANNEL COVERAGE

EVERYTHING YOUR CUSTOMER COMMUNICATION NEEDS. **IN ONE PLACE.**

Every channel. One platform.

Cell24x7 brings multiple communication channels into a unified environment, helping teams manage conversations without constantly switching between platforms.

- **WhatsApp Business API**

Scalable business messaging, verified profiles, broadcasts and interactive communication.

- **Instagram DM**

Manage direct messages and story replies from one unified inbox.

- **SMS**

Reach customers globally with reliable SMS communication and verified senders.

- **RCS**

Deliver richer messaging experiences with rich cards and suggested actions.

- **Email**

Create professional campaigns with templates, tracking and automation.

- **Messenger**

Connect with customers through rich media and persistent experiences.

- **Voice**

Cloud-based calling with IVR, call recording and click-to-call capabilities.

- **DLT for India**

Support for TRAI DLT registration, headers, templates and compliance.

ONE PLATFORM. MULTIPLE CHANNELS.
ONE CUSTOMER VIEW.
